With Safemove Plus® you receive all of the benefits of Safemove:

• PLUS: Exclusion free coverage for ANY accidental damage to the U-Haul® truck (including collision with an overhead object).

• PLUS: $1,000,000 in Supplemental Liability Insurance (SLI) – SLI safeguards your personal insurance policy for the first one million dollars of losses.

Safemove Plus Supplemental Liability Coverage Is There For You – SLI is your excess automobile liability insurance policy that provides additional liability insurance, within specified limits, above the limits provided in the U-Haul Rental Contract. SLI insures you and authorized drivers (as defined in the U-Haul Rental Contract) against claims made by third parties against you, the customer, from bodily injury/death and property damage caused by the use or operation of a U-Haul rental truck.

SLI coverage limits equal the difference between the SLI maximum ($1,000,000) combined single limit per occurrence) and the liability protection limits under the U-Haul Rental Contract.

SLI may provide a duplication of coverage. If you are not sure of the extent of your policy’s coverage, ask your insurance agent or your insurance company.

All exclusions, terms and conditions are stated in the Rental Contract and Addendum/Document Holder; it is important that you read the addendum carefully.

The protection afforded by SLI (if SLI is accepted), pays claims first before your own auto policies.

The following highlights some, but not all, of the exclusions that would preclude coverage:

• If you or authorized drivers use, or permit the use of, your U-Haul rental truck in a manner that violates the U-Haul Rental Contract. See your Rental Contract and Addendum/Document Holder for Terms and Conditions.

• If you obtain your U-Haul rental truck by fraud or misrepresentation.

To Purchase Safestor, simply tell your U-Haul representative that you wish to choose Safestor and which level of protection you desire. U-Haul self-storage personnel will itemize Safestor on your rental receipt and collect the Safestor fee in addition to your storage fee. Frequently Asked Questions...

About Safemove®, Safemove Plus®, and Safetow®

Am I responsible if I damage U-Haul® rental trucks/trailers?
Yes, but when you select Safemove, Safemove Plus and Safetow protection, you may be relieved of responsibility for damage. If you decline Safemove, Safemove Plus and Safetow, you’re responsible for all damage to the rental trucks/trailers up to their full replacement value and other damages, including any lost rental revenue.

Do my credit cards cover damage to U-Haul rental trucks/trailers?
No. No major credit cards cover rental trucks or trailers.

Doesn’t my personal auto insurance policy cover damage to U-Haul rental trucks/trailers?
Perhaps not. Auto policies routinely cover damage to rental cars, but most do not cover rental trucks/trailers, especially 6 wheel trucks. If you do, there is still the deductible to pay, and the possibility of increased premiums to consider. You should check with your insurer to be certain.

About Safestor® Insurance

Doesn’t U-Haul provide insurance coverage for my stored goods?
No. It is the Self-Storage customer's responsibility to provide insurance coverage for their stored possessions.

Will my homeowners policy cover my stored goods?
Perhaps not. Many homeowners policies place specific restrictions on coverage for possessions stored away from the insured’s residence. Additionally, these restrictions eliminate earthquake and hurricane coverage or they restrict coverage for business or commercial property. Safestor covers earthquakes, hurricanes, business/commercial property and more. Check with your insurer to be certain.

Why should I purchase Safestor Insurance?
Because it's a convenient and low-cost storage insurance that provides the peace of mind you need while your goods are stored.
